Mumbai-400 088

Sub : Performance of Filters

Dear Sirs,

Kindly refer to your letter dated 3<sup>rd</sup> March 2002.

Both units of 235 MW(e) Nuclear Power plants at Karkrapar.

The Oil smoke removal filters developed for NPCIL by you are operating satisfactory since March 1995. They are installed on 3,000 KW primary heat transport pump supplied by M/s. KSB.

Thanking you.

Yours faithfully,

For Nuclear Power Corporation of India Limited.

(P. Balakrishnan Nair)  
Manager (Contracts)
